USCIS  
**Form G-845**  
OMB No. 1615-0101  
Expires 08/31/2028

## What Is the Purpose of This Form?

An agency that is registered with the U.S. Citizenship and Immigration Services' (USCIS) Systematic Alien Verification for Entitlements (SAVE) Program may file this form to request immigration status verification information for an applicant.

## Who May File This Form?

Any agency that has executed a Memorandum of Agreement with the USCIS SAVE Program.

## General Instructions

For each applicant you must complete a separate Form G-845, Verification Request, and must include copies of documents only for that individual. If a family unit applies for a benefit, submit a separate Form G-845 for each family member.

If you do not follow the instructions, USCIS' SAVE Program may return this form without a verification response, which may delay processing.

We provide free forms through the USCIS Web site. To view, print, or complete our forms, you should use the latest version of Adobe Reader, which you can download for free at <http://get.adobe.com/reader/>. If you do not have internet access, you may call the USCIS Contact Center and ask that we mail a form to you

**Copies.** You must submit copies (front and back) of the applicant's most recently issued immigration documentation. In addition to the most recently issued immigration documentation, you may also submit any relevant documents bearing on the applicant's immigration status or admission. Ensure that copies are legible and made from an original document. If we request an original document from you, we will return it to you after USCIS determines it no longer needs the original.

**NOTE:** If you submit original documents when they are not required or requested, **USCIS may destroy them after we receive them.**

## How To Complete Form G-845

1. Type or print legibly in black ink.
2. If you need extra space to complete any item within this request, attach a separate sheet of paper; type or print applicant's last name, first name, and Case Verification Number at the top of each sheet; and indicate the **Page Number**, **Part Number**, and **Item Number** to which the information refers.
3. If you are filling the form out manually, type or print the applicant's last and first name and Case Verification Number at the top of each page. For example: Smith, John, 123456789123456.
4. Answer all questions fully and accurately. If a question does not apply to you (for example, if you have never been married and the question asks, "Provide the name of your current spouse"), type or print "N/A" unless otherwise directed. If your answer to a question which requires a numeric response is zero or none (for example, "How many children do you have" or "How many times have you departed the United States"), type or print "None" unless otherwise directed.

2. In the “**From**” section, stamp, type, or print the Registered Agency’s name and mailing address with ZIP Code.

**NOTE:** You **MUST** enter a complete return address with ZIP code into the “**From**” portion of the form. You also **MUST** complete **ALL** items in **Part 1**. (SAVE may use this portion of the form to display your address in a number 10 window envelope.)

### 3. Complete Item Numbers 1. - 19.

**Item Numbers 1a. - 4. (Check the front and back of the Form I-94. If you received a paper Form I-94, check the front and back of the Form I-94. If the A-Number appears, record that number when requesting information because the A-Number refers to the most integral record available.)

Enter any other immigration numbers, such as the applicant’s foreign passport number or Certificate of Citizenship document number, in the data collection box entitled “Other Immigration Number.” Provide the name or form numbers of the documents that contain these immigration numbers in the next data collection box. If it is a foreign passport, include the name of the country of issuance. These numbers can be included with the A-Number and Form I-94 Number.

If you are requesting immigration status verification based on a VAWA self-petition, submit copies of the self-petitioner’s documents relating to the VAWA self-petition. **Item Number 5. Full Name.** Enter the applicant’s last name, first name, and middle name exactly as printed on the immigration document.

### **Processing Information**

Upon receipt, the SAVE Program Status Verification Office will review the form for completeness, including submission of any attached documents. **If the Form G-845 is not completely filled out, USCIS will return the request to you with no verification response.**

If the Form G-845 is submitted without a copy of the applicant's most recently issued immigration documentation, USCIS will return it to you with no verification response.

If USCIS responds to the verification request by selecting **Item Number 19.** in **Part 2., USCIS Responses, Additional USCIS Responses**, "USCIS is searching indices for further information," this indicates that USCIS cannot find the requested immigration status information immediately. In such a case, USCIS will conduct further records research. While this search is pending, USCIS will return a copy of the unprocessed Form G-845 and Form G-1120, Status Verification Return Checklist, to notify you that the case is pending. USCIS will return the original Form G-845 to you when we have completed our research and prepared a final response. **The applicant may still be in lawful immigration status, or have employment authorization, even if USCIS does not provide an immediate response.**
